hit means an image or html page downloaded at the request of an Internet user. Multiple graphical images on one Web page are deemed to be multiple hits.

5. Additional mailboxes

5.1 You can create two additional password protected mailboxes when you have registered a domain name, in the form alias@domain.co.uk. You can administer these mailboxes (delete, rename, forward, change passwords) using My Account, which is accessible from the Website. You may purchase further additional mailboxes at the rate advertised on the Website.

5.2 You may contact the support centre for help and advice about additional mailboxes. We will not be able to provide support to any user of an additional mailbox that is not the main account holder.

5.3 If your domain name is not active for any reason (e.g. it has been suspended, de-tagged or transferred to another host) any additional mailboxes you have set up will not function.

5.4 The maximum size of an additional mailbox is 20MB or 800 emails, whichever is reached first. If a mailbox reaches these thresholds, mail sent to that mailbox will bounce.

5.5 Usage of additional mailboxes is subject to these Terms and Conditions. You should ensure that any person using additional mailboxes on your account complies with these Terms and Conditions. You will be held responsible for any breach of these Terms and Conditions.

5.6 You may opt to forward mail sent to an additional mailbox address to another email address of your choice. Once forwarding has been enabled the mailbox account cannot be accessed to send or receive email.

5.7 The contents of any additional mailbox that is not accessed for a period of 6 months may be deleted.

6. Payment

6.1 We will bill you each month in advance for the Broadband Service and any additional features that you have selected and in arrears for any charges for Monthly Usage in excess of the allowance applicable to your Broadband Service (as described in paragraph 6.7), (the Fees). You will pay us the applicable Fees as notified by us to you. We reserve the right to change the Fees at any time on giving you not less than 28 days' notice. The changed fees will apply on expiry of this 28 day period unless you tell us in the meantime that you want to terminate this Agreement.

6.2 We will seek payment either through your credit/debit card or from your bank or building society on or after the day on which the Fees are payable. If any instruction for such payment is not confirmed on the day we seek payment, we may suspend the provision of the Broadband Services to you immediately without notice. We reserve the right to charge interest on any overdue Fees at a rate of 4% above the base rate of HSBC Bank plc until the Fees are paid.

6.3 If we suffer a chargeback (being a debit from our bank account or repayment by us as a result of a credit card transaction dispute procedure initiated by you) of any Fees (or part of them) paid by you to us, you will immediately repay us for the charged back sum and we may suspend the provision of the Broadband Services to you immediately without notice. We reserve the right to charge interest on the charged back sum at a rate of 4% above the base rate of HSBC Bank plc until the sum is repaid to us.

6.5 If it is necessary to install the Broadband Service on a different telephone line at any time, for example as a result of you moving house, you will be required to pay an administration charge of £40.96. This is a charge that is applied to us by BT to enable the Broadband service on the new telephone line. This charge applies even if you keep the same telephone number.

6.6 If there is a change to the status of your telephone service that causes your Broadband Service to be cancelled, for example a change to the name of the account holder, you will be required to pay a reactivation fee of £40.96 to reconnect the Broadband Service. This is a charge that is applied to us by BT.

6.7 If you have selected to receive the MAX Broadband service you will have a 5GB Monthly Usage allowance. If you have selected to receive the MAX Broadband Plus service you will have a 20GB Monthly Usage allowance. If you have selected to receive the MAX Premier Broadband service you will have a 50GB Monthly Usage allowance. Any Monthly Usage that is registered by our systems above this allowance will be charged at £2 (inc. VAT) per GB (or part thereof). This charge will appear on your next monthly invoice. You will be charged for any additional usage, whether you are aware of it or not. You must therefore ensure that your systems are secure and do not allow access to any unauthorised users. Wireless networks must be secured.

7. Security and Confidentiality

7.1 In order to enable you to use the Broadband Services, we will provide you with Security Details. You will be responsible for maintaining the confidentiality and security of the Security Details. Where the Security Details include a password that may be changed by you, you will change the password at frequent and regular intervals.

7.2 You will immediately notify us if any of the Security Details:

7.4 You will be responsible for all actions undertaken by anyone else using the Security Details unless you have given notice to us at the first possible opportunity upon becoming aware of the events listed in paragraphs 7.2(a) or 7.2(b) above as the case may be. We may suspend the Broadband Services and you will fully indemnify us from all losses resulting from such actions.

7.5 You accept that the Broadband Services are not secure and we do not guarantee the prevention or detection of any unauthorised attempts to access the Broadband Services.

7.6 You agree to keep in confidence any information (whether written or oral) of a confidential nature (including software and manuals) obtained under or in connection with this Agreement and will only use such information in order to receive the Broadband Services.

Notwithstanding any other provision of these Terms and Conditions we do not exclude or limit any liability in respect of death or personal injury resulting from our negligence.

9.2 Our aggregate liability to you in contract, tort (including negligence) or otherwise and arising out of, or in connection with, this Agreement and/or the provision of the Broadband Services for each 6 month period (the first period starting on the date the Broadband Services is first provided to you) shall be limited to the amount of the Fees paid by you to us in respect of that 6 month period.

9.3 The information on the Website is updated from time to time. 9.4 You agree to indemnify us against all costs, claims, losses and expenses (including indirect and consequential losses) howsoever arising, from any claim brought against us by any third party relating to any breach by you of your obligations under these Terms and Conditions.

9.5 We will not be liable to you for any breach of any of our obligations under these Terms and Conditions or the Privacy Policy where the breach is caused by a 'force majeure' event which term shall include, but is not limited to, acts of God, insurrection or civil disorder, war or military operations, national or local emergency, acts or omissions of local or central government, highway authority or other competent authority, industrial disputes of any kind (whether including us or not), fire, lightning, explosion, flood, subsidence, inclement weather, unavailability of third party telecommunications networks or any other cause beyond our reasonable control.

If we have supplied you with any hardware, you must return it to us and it must be received in pristine and resalable condition, including all packaging, manuals, software and cables, as appropriate. (d) any Licensed Operator supporting the Broadband Services ceases to do so for whatever reason or changes the terms of its provision of telecommunications services beyond our reasonable control.

10.6 You may terminate this Agreement within the first 12 months after the Commencement Date if you agree to pay us all the costs that we have incurred in setting up your Broadband Service. This will include either an installation fee of £40.96 or a migration fee of £12.93, if we successfully migrated your Broadband Service from another ISP using the same wholesale product.

You must also pay our full retail price for any free or subsidised hardware that you ordered from us.

10.7 Upon termination you agree to cease using the Broadband Services immediately and to pay any monies owing (we will bill any outstanding payments promptly after termination). On termination your right to use the Services ceases immediately.
